SUBJECT: MEMORANDUM OF UNDERSTANDING FOR PRE-DEPARTURE TRAINING PROGRAM ON PROFESSIONAL TRAINING LINGUISTIC, SAFETY, CUSTOM AND TECHNICAL INTERNSHIP FOR TRAINEES, SKILLED AND HIGHLY SKILLED WORKERS FROM BANGLADESH TO ITALY.

Dear Mr. Saleh Ahmed Mozaffor,

Assalamualaiku. I hope this letter finds you well. As the Founder and President of the Italbangla Coordination and Development Association, a community organization dedicated to serving the Bangladeshi community in Rome, Italy, I would like to take this opportunity to share with you our collective mission and propose a collaborative initiative.

Since our inception in 1992, **Italbangla** has worked tirelessly to protect, assist, represent, and advocate for the rights of Asian immigrants and refugees in Italy. Our objectives include promoting their inclusion in the Italian social, productive, and political landscape while respecting their cultural values. We strive for equality of rights and opportunities for all, especially for those hailing from Bangladesh.

Over the last 32 years, **Italbangla** has developed considerable experience in the Italian migration sector. We are committed to creating Professional Linguistic Civic Training Programs aimed at Bangladeshi workers preparing to migrate to Italy and across Europe. These initiatives are designed to enhance their economic and social prospects and to establish a legal and ethical path for migration, thereby directly contributing to their successful integration into the labour market.

Our mission encompasses various initiatives, including the "Bangla Dream," which is focused on elevating the quality of life of expatriates through language training and professional development in critical sectors experiencing labour shortages in Italy and the European Union, such as Textiles and Fashion, Construction, Tourism, Naval Construction, Industrial, Transport, and Agriculture. Moreover, we are keen on making significant

contributions towards High Skilled Manpower in ICT and engaging in Talent Partnership programs and Higher Education initiatives.

Italbangla aims to create a direct bridge between Bangladeshi workers and the Italian and European labour markets, promoting legal, ethical, and sustainable immigration, which benefits not only the individual workers but also strengthens the economies of Italy, the EU, and Bangladesh through skills transfer and remittances.

To this end, I am excited to present a **Draft Memorandum of Understanding** we propose to develop in collaboration with various stakeholders. This MoU outlines our shared goals, roles, and commitments to improve the integration of Bangladeshi workers in the European labour market.

I would appreciate the opportunity to discuss this initiative further and explore ways we can collaborate. I am available for an **online meeting** prior to November 10th I am also available for meetings in Italy or **in-person meeting at your office** Dhaka, Bangladesh from November 5th through the end of next month and would be happy to meet during that time.

Thank you for considering this opportunity for collaboration. I look forward to your response.

Warm regards,

Shari Mohammed Taifur Rahman
